DO YOUR FLEET PROVIDERS UNDERSTAND THE DEMANDS OF YOUR INDUSTRY?

We've been supplying our customers with project work vehicles for 20 years and know what it's like to work in these challenging environments. Latium's field specialists are on call 24/7/365 should any fleet need arise.

Latium and Discount are pleased to announce their newly formed partnership for 2016. By working together, overall costs to our customers are driven down while service level and reach are higher than ever before.
